US Maze Bank Penthouse

How to install ?

A] ADDON [ymap file]
Installation for instal (OPEN IV needed for this)

copy and paste folder "custom maps"
to: mods>update>x64>dlcpacks

Finally add "dlcpacks: custom maps " in dlclist.xml using OpenIV
to: mods >update.rpf >common >data

Or,

when you already have your custom maps folder then go to:

mods>update>x64>dlcpacks>custom maps>dlc.rpf>x64>levels>gta5>citye>maps>custom maps.rpf
and add the file :

US Maze Bank Penthouse.ymap

[Addon] (don t rename the file. OpenIV will do the rest)

and for elevator and peds

B] MENYOO [xml file]

Copy:
elevator us maze bank.xml

of my archive to GTAV menyooStuff Spooner.
Now launch in GTA5, press F8 to open Menyoo, select "ObjectSpooner", "SavedFiles",
and load:

elevator us maze bank.xml
